James Patton confirmed the dates we discussed in Fresno for the contract negotiations for January 22nd to January 28th, travel days being the 22nd and 28th. The location will be in San Diego, the hotel will be arranged through HRO and travel through DTS. We are allotted seven paid positions and are allowed to have an SME present (Ben Banchs). Please pencil in these dates on your calendar and expect very long days if we are to complete the negotiations in a five days.
