Good Morning Mr. Ingles,

Thanks for your response. As you know, time, date, and place to negotiate the "Ground Rules", was based on COL Spano and COL Wells availability. COL Wells is available to meet Friday, 13 January 2012 @ 1000hrs at JFHQ in the Air Force Quiet Room 227. Please confirm your availability to meet, and whom will represent the union during Ground Rules negotiations.

Mr Patton,

First off please remove Jesse B. Jimenez from your email list. Jesse H. Jimenez is a executive board member for LiUNA local 2163.

No ground rules have been established between LiUNA local 2163 and CNG management with regards to contract negotiations. Therefore no dates, times,

procedures, or specifics have been agreed upon or set. LIUNA local 2163 presented proposed ground rules in a Memorandum Of Understanding to you, and your staff on numerous occasions starting on June 26, 2011. If ground rules are not established we cannot proceed. The union wishes to ensure the collective bargaining process be as quick and efficient as possible.

Thank you,

David Ingles
